Will concession stands be available during games?

No. There will not be a concession stand at home games. Athletes should bring a water bottle that can be filled at water filling stations.

It depends on the school. The recommendation is that athletes arrive dressed to play and limit what belongings are brought to the games.

WSS will utilize locker rooms as minimally as possible (i.e. during half-times).

Likely. Some aspects of the game have been changed to account for guidelines (i.e. no jump ball in basketball). Please know guidelines for sports are very fluid and change frequently.
