District Policies

Equal Employment Opportunity and Minority Recruitment (5:10)

The School District shall provide equal employment opportunities to all persons regardless of their race; color; creed; religion; national origin; sex; sexual orientation; age; ancestry; marital status; arrest record; military status; order of protection status; unfavorable military discharge; citizenship status provided the individual is authorized to work in the United States; use of lawful products while not at work; being a victim of domestic or sexual violence; genetic information; physical or mental handicap or disability, if otherwise able to perform the essential functions of the job with reasonable accommodation; pregnancy, childbirth, or related medical conditions; credit history, unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; or other legally protected categories. No one will be penalized solely for his or her status as a registered qualifying patient or a registered designated caregiver for purposes of the Compassionate Use of Medical Cannabis Pilot Program Act, 410 ILCS 130/.

Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager for the Uniform Grievance Procedure. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she: (1) requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights Act, or (2) initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.

Administrative Implementation

The Superintendent shall appoint a Nondiscrimination Coordinator for personnel who shall be responsible for coordinating the District's nondiscrimination efforts. The Nondiscrimination Coordinator may be the Superintendent or a Complaint Manager for the Uniform Grievance Procedure. The Superintendent shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers.

The Superintendent shall also use reasonable measures to inform staff members and applicants that the District is an equal opportunity employer, such as, by posting required notices and including this policy in the appropriate handbooks.

Minority Recruitment

The District will attempt to recruit and hire minority employees. The implementation of this policy may include advertising openings in minority publications, participating in minority job fairs, and recruiting at colleges and universities with significant minority enrollments. This policy, however, does not require or permit the District to give preferential treatment or special rights based on a protected status without evidence of past discrimination.

Employment At Will (5:270)

Unless otherwise specifically provided, District employment is at-will, meaning that employment may be terminated by the District or employee at any time for any reason, other than a reason prohibited by law, or no reason at all. Nothing in School Board policy is intended or should be construed as altering the employment at-will relationship.

Exceptions to employment at-will may include employees who are employed annually, have an employment contract, or are otherwise granted a legitimate interest in continued employment. The Superintendent is authorized to make exceptions to employing non-licensed employees at-will but shall maintain a record of positions or employees who are not at-will.

Staff Reduction Notices

If an educational support personnel employee is removed or dismissed or the hours he or she works are reduced as a result of a decision of the Board of Education (i) to decrease the number of educational support personnel employees employed by the Board or (ii) to discontinue some particular type of educational support service, written notice shall be mailed to the employee and also given to the employee either by certified mail, return receipt requested, or personal delivery with receipt, at least 30 days before the employee is removed or dismissed or the hours he or she works are reduced, together with a statement of honorable dismissal and the reason therefore if applicable. However, if a reduction in hours is due to an unforeseen reduction in the student population, then the written notice must only be mailed and given to the employee at least 5 days before the hours are reduced. The employee with the shorter length of continuing service with the District, within the respective category of position, shall be dismissed first. If the Board has any vacancies for the following school term or within one calendar year from the beginning of the following school term, the positions thereby becoming available within a specific category of position shall be tendered to the employees so removed or dismissed from that category or any other category of position, so far as they are qualified to hold such position.

Workplace Harassment Prohibited (5:20)

The School District expects the workplace environment to be productive, respectful, and free of unlawful harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's race, religion, national origin, sex, sexual orientation, age, citizenship status, disability, or other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policy 7:20, *Harassment of Students Prohibited*.

Sexual Harassment Prohibited

The School District shall provide a workplace environment free of unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct, or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law.

District employees shall not make unwelcome sexual advances or request sexual favors or engage in any unwelcome conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes verbal or physical conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Making a Complaint; Enforcement

A violation of this policy may result in discipline, up to and including discharge. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, up to and including discharge. An employee's employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing bona fide complaints or providing information about harassment is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*).

Aggrieved persons, who feel comfortable doing so, should directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must stop.

Employees should report claims of harassment to the Nondiscrimination Coordinator and/or use the Board policy 2:260, *Uniform Grievance Procedure*. Employees may choose to report to a person of the employee's same sex. There are no express time limits for initiating complaints and grievances under this policy; however, every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available.

Whom to Contact with a Report or Complaint

The Superintendent shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers.

Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors (4:165)

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn. The Board has a responsibility and obligation to increase awareness and knowledge of: (1) issues regarding child sexual abuse, (2) likely warning signs that a child may be a victim of sexual abuse, (3) grooming behaviors related to child sexual abuse and grooming, (4) how to report child sexual abuse, (5) appropriate relationships between District employees and students based upon State law, and (6) how to prevent child sexual abuse.

To address the Board's obligation to increase awareness and knowledge of these issues, prevent sexual abuse of children, and define prohibited grooming behaviors, the Superintendent or designee shall implement an Awareness and Prevention of Sexual Abuse and Grooming Behaviors Program.

The Program will:

1. Educate students with:
 - a. An age-appropriate and evidence-informed health and safety education curriculum that includes methods for how to report child sexual abuse and grooming behaviors to authorities, through policy 6:60, Curriculum Content;
 - b. Information in policy 7:250, Student Support Services, about: (i) District counseling options, assistance, and intervention for students who are victims of or affected by sexual abuse, and (ii) community-based Children's Advocacy Centers and sexual assault crisis centers and how to access those serving the District.
2. Train District employees about child sexual abuse and grooming behaviors by January 31 of each school year with materials that include:
 - a. A definition of prohibited grooming behaviors and boundary violations pursuant to policy 5:120, Employee Ethics; Conduct; and Conflict of Interest;
 - b. Evidence-informed content on preventing, recognizing, reporting, and responding to child sexual abuse, grooming behaviors, and boundary violations pursuant to policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment Grievance Procedure; 5:90, Abused and Neglected Child Reporting; 5:100, Staff Development Program; and 5:120, Employee Ethics; Conduct; and Conflict of Interest; and
 - c. How to report child sexual abuse, grooming behaviors, and/or boundary violations pursuant to policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment Grievance Procedure; and 5:90, Abused and Neglected Child Reporting.
3. Provide information to parents/guardians in student handbooks about the warning signs of child sexual abuse, grooming behaviors, and boundary violations with evidence-informed educational information that also includes:
 - a. Assistance, referral, or resource information, including how to recognize grooming behaviors, appropriate relationships between District employees and students based upon policy 5:120,

- Employee Ethics; Conduct; and Conflict of Interest, and how to prevent child sexual abuse from happening;
- b. Methods for how to report child sexual abuse, grooming behaviors, and/or boundary violations to authorities; and
 - c. Available counseling and resources for children who are affected by sexual abuse, including both emotional and educational support for students affected by sexual abuse, so that the student can continue to succeed in school pursuant to policy 7:250, Student Support Services.
 - d. Provide parents/guardians of students in any of grades K through 8 with not less than five days' written notice before commencing any class or course providing instruction in recognizing and avoiding sexual abuse, as well as the opportunity to object in writing.

Abused and Neglected Child Reporting (5:90)

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 21, an abused or neglected individual with a disability, shall: (1) immediately report or cause a report to be made to the Illinois Department of Children and Family Services (DCFS) on its Child Abuse Hotline 800/25-ABUSE or 217/524-2606, and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 800/843-5678, or online at www.cybertipline.com. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and Erin's Law Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within one year of initial employment and at least every 5 years after that date.

The Superintendent will encourage all District educators to complete continuing professional development that addresses the traits and identifiers that may be evident in students who are victims

of child sexual abuse, including recognizing and reporting child sexual abuse and providing appropriate follow-up and care for abused students as they return to the classroom setting.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

The Superintendent shall notify the State Superintendent and the Regional Superintendent in writing when he or she has reasonable cause to believe that a license holder was dismissed or resigned from the District as a result of an act that made a child an abused or neglected child. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in the Act, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with the Act's requirements concerning the reporting of child abuse.

Release During School Hours (7:90)

For safety and security reasons, a prior written or oral consent of a student's custodial parent/guardian is required before a student is released during school hours: (1) at any time before the regular dismissal time or at any time before school is otherwise officially closed, and/or (2) to any person other than a custodial parent/guardian.

Early Dismissal Announcement

The Superintendent or designee shall make reasonable efforts to issue an announcement whenever it is necessary to close school early due to inclement weather or other reason.

Student Records (7:340)

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below:

1. Records kept in a staff member's sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials, for disciplinary or special education purposes regarding a particular student.
4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 17 years who has been arrested or taken into custody.

State and federal law grants students and parents/guardians certain rights, including the right to inspect, copy, and challenge school student records. The information contained in school student

records shall be kept current, accurate, clear, and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to that child. The District may release directory information as permitted by law, but a parent/guardian shall have the right to object to the release of information regarding his or her child. However, the District will comply with an *ex parte* court order requiring it to permit the U.S. Attorney General or designee to have access to a student's school records without notice to, or the consent of, the student's parent/guardian. Upon request, the District discloses school student records without consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law.

The Superintendent shall fully implement this policy and designate an *official records custodian* for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform students and their parents/guardians of their rights regarding school student records.

Student Biometric Information Collection

The Superintendent or designee may recommend a student biometric information collection system solely for the purposes of identification and fraud prevention. Such recommendation shall be consistent with budget requirements and in compliance with State law. Biometric information means any information that is collected through an identification process for individuals based on their unique behavioral or physiological characteristics, including fingerprint, hand geometry, voice, or facial recognition or iris or retinal scans.

Before collecting student biometric information, the District shall obtain written permission from the person having legal custody/parental responsibility or the student (if over the age of 18). Upon a student's 18th birthday, the District shall obtain written permission from the student to collect student biometric information. Failure to provide written consent to collect biometric information shall not be the basis for refusal of any services otherwise available to a student.

All collected biometric information shall be stored and transmitted in a manner that protects it from disclosure. Sale, lease, or other disclosure of biometric information to another person or entity is strictly prohibited.

The District will discontinue use of a student's biometric information and destroy all collected biometric information within 30 days after: (1) the student graduates or withdraws from the School District, or (2) the District receives a written request to discontinue use of biometric information from the person having legal custody/parental responsibility of the student or the student (if over the age of 18). Requests to discontinue using a student's biometric information shall be forwarded to the Superintendent or designee.

The Superintendent or designee shall develop procedures to implement this policy consistent with State and federal law.

Fingerprinting and Criminal Background Checking Policy

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Statewide Child Murderer and Violent Offender Against Youth Database are performed on each employee as required by School Code. A copy of the record of convictions obtained from the Illinois State Police may be provided by the District to the applicant and the Superintendent or designee shall notify the applicant if the applicant is identified in either database. Any information concerning the record of convictions obtained by the

District shall be confidential and may only be transmitted or shared with the President of the School Board, Superintendent or his designee, Regional Superintendent, State Superintendent, State Teacher Certification Board, or any other person necessary to the hiring decision.

The District retains the right to not employ or to discharge any employee who makes any false or misleading statement on, or omits facts from, his or her employment application or documents, if there is any criminal history records check, Statewide Sex Offender Database check, Statewide Child Murderer and Violent Offender Against Youth Database check, or background investigation, or if the District is prohibited from employing the employee under Section 10-21.9 of the Illinois School Code.

Accident Reporting and Investigation

Employees must report any accident or injury to their building administrator immediately following the accident or injury. Employees will assist in completing an accident/injury report and update administration regarding recovery from accidents or injuries following doctor visits. The Administration will investigate all accidents and injuries and report to the Superintendent efforts to prevent any further accidents and injuries.

Drug and Alcohol Free Workplace (5:50)

All District workplaces are drug- and alcohol-free workplaces. All employees are prohibited from engaging in any of the following activities while on District premises or while performing work for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance.
2. Distribution, consumption, use, possession, or being under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectable, regardless of when and/or where the use occurred.
3. Possession or use of medical cannabis.

For purposes of this policy, a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

As a condition of employment, each employee shall:

1. Abide by the terms of the Board policy respecting a drug- and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than 5 calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted.
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations.
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
5. Establish a drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the District may impose upon employees for violations of this policy.

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. Alternatively, the School Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Superintendent shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers (5:285)

The District shall adhere to State and federal law and regulations requiring a drug and alcohol testing program for school bus and commercial vehicle drivers. The Superintendent or designee manages a program to implement State and federal law defining the circumstances and procedures for the testing.

Public Information Process

The Principal and Superintendent are the public relations officers of the school. Contacts with the media should be routed through the Principal first and then the Superintendent. If a member of the media contacts an employee about a school related issue, the Principal and/or Superintendent should be informed.

Responsibilities Concerning Internal Information (5:130)

District employees are responsible for maintaining: (1) the integrity and security of all internal information, and (2) the privacy of confidential records, including but not limited to: student school records, personnel records, and the minutes of, and material disclosed in, a closed School Board meeting. Internal information is any information, oral or recorded in electronic or paper format, maintained by the District or used by the District or its employees. The Superintendent or designee shall manage procedures for safeguarding the integrity, security, and, as appropriate, confidentiality of internal information.

Solicitation and Distribution

Employees may not solicit or distribute literature concerning outside events or activities during the employee's working time or the working time of any employee. (Working time does not include lunch periods, work breaks, or any periods in which employees are not on duty). In addition, the posting of

written solicitations or literature on District bulletin boards is restricted. These bulletin boards display important information and employees should consult them frequently for: Employee Announcements, Internal Memoranda, Job Openings, Organization Announcements, Payday Notice, Worker's Compensation Insurance information, etc. If employees have a message of interest to the workplace, they may submit it to administration for approval.

Ethics (5:120)

Professional and Appropriate Conduct

All District employees are expected to maintain high standards in their school relationships, to demonstrate integrity and honesty, to be considerate and cooperative, and to maintain professional and appropriate relationships with students, parents, staff members, and others. In addition, the *Code of Ethics for Illinois Educators*, adopted by the Illinois State Board of Education, is incorporated by reference into this policy. Any employee who sexually harasses a student, willfully or negligently fails to report an instance of suspected child abuse or neglect as required by the Abused and Neglected Child Reporting Act (325 ILCS 5/), or otherwise violates an employee conduct standard will be subject to discipline up to and including dismissal.

Statement of Economic Interests

The following employees must file a *Statement of Economic Interests* as required by the Illinois Governmental Ethics Act:

1. Superintendent;
2. Building Principal;
3. Head of any department;
4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts including collective bargaining agreement(s), in the amount of \$1,000 or greater;
5. Hearing officer;
6. Any employee having supervisory authority for 20 or more employees; and
7. Any employee in a position that requires an administrative or a chief school business official endorsement.

Ethics and Gift Ban

School Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees. Students shall not be used in any manner for promoting a political candidate or issue.

Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with Section 22-5 of the School Code, "no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected," except when the employee is the author or developer of instructional materials listed with the Illinois State Board of Education and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in the entity selected for the contract:

1. Any person that has a close personal relationship with an employee that may compromise or impair the employee's fairness and impartiality, including a member of the employee's immediate family or household;
2. An employee's business partner; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or contracts. Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, *Ethics and Gift Ban*.

Outside Employment

Employees shall not engage in any other employment or in any private business during regular working hours or at such other times as are necessary to fulfill appropriate assigned duties.

Tobacco

In keeping with Windsor CUSD #1 intent to provide a safe and healthful work environment and in compliance with the Illinois School Code and Smoke-Free Illinois Act, smoking is *prohibited* in all school buildings, vehicles used for school purposes, and school property. Further, the use of tobacco is prohibited on school property by any employee, student, or other person when such property is being used for any school purposes. "School purposes" include but are not limited to all events or activities or other use of school property that the Board or school officials authorize or permit on school property, including without limitation all interscholastic or extracurricular athletic, academic, or other events sponsored by the Board or in which pupils of the District participate. "Tobacco" shall mean cigarette, cigar, or tobacco in any other form, including smokeless tobacco which is any loose, cut, shredded, ground, powdered, compressed or leaf tobacco that is intended to be placed in the mouth without being smoked.

This policy applies equally to all employees and visitors.

Access to Electronic Networks (6:235)

Electronic networks, including the Internet, are a part of the District's instructional program and serve to promote educational excellence by facilitating resource sharing, innovation, and communication. The Superintendent shall develop an implementation plan for this policy and appoint system administrator(s).

The School District is not responsible for any information that may be lost or damaged, or become unavailable when using the network, or for any information that is retrieved or transmitted via the Internet. Furthermore, the District will not be responsible for any unauthorized charges or fees resulting from access to the Internet.

Curriculum and Appropriate Online Behavior

The use of the District's electronic networks shall: (1) be consistent with the curriculum adopted by the District as well as the varied instructional needs, learning styles, abilities, and developmental levels of the students, and (2) comply with the selection criteria for instructional materials and library resource center materials. As required by federal law and Board policy 6:60, *Curriculum Content*, students will be educated about appropriate online behavior, including but not limited to: (1) interacting with other individuals on social networking websites and in chat rooms, and (2) cyberbullying awareness and response. Use is a privilege, not a right. Students and staff members have no expectation of privacy in any material that is stored, transmitted, or received via the District's electronic networks or District computers. General rules for behavior and communications apply when using electronic networks. The District's administrative procedure, *Acceptable Use of the District's Electronic Networks*, contains the appropriate uses, ethics, and protocol. Electronic communications and downloaded material, including files deleted from a user's account but not erased, may be monitored or read by school officials.

Internet Safety

Technology protection measures shall be used on each District computer with Internet access. They shall include a filtering device that protects against Internet access by both adults and minors to visual depictions that are: (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by federal law and as determined by the Superintendent or designee. The Superintendent or designee shall enforce the use of such filtering devices. An administrator, supervisor, or other authorized person may disable the filtering device for bona fide research or other lawful purpose, provided the person receives prior permission from the Superintendent or system administrator. The Superintendent or designee shall include measures in this policy's implementation plan to address the following:

1. Ensure staff supervision of student access to online electronic networks,
2. Restrict student access to inappropriate matter as well as restricting access to harmful materials,
3. Ensure student and staff privacy, safety, and security when using electronic communications,
4. Restrict unauthorized access, including "hacking" and other unlawful activities, and
5. Restrict unauthorized disclosure, use, and dissemination of personal identification information, such as, names and addresses.

Authorization for Electronic Network Access

Each staff member must sign the *Authorization for Access to the District's Electronic Networks* as a condition for using the District's electronic network. Each student and his or her parent(s)/guardian(s) must sign the *Authorization* before being granted unsupervised use.

All users of the District's computers to access the Internet shall maintain the confidentiality of student records. Reasonable measures to protect against unreasonable access shall be taken before confidential student information is loaded onto the network.

The failure of any student or staff member to follow the terms of the District's administrative procedure, *Acceptable Use of the District's Electronic Networks*, or this policy, will result in the loss of privileges, disciplinary action, and/or appropriate legal action.

Use of Technical Resources

Windsor CUSD #1 maintains photocopiers, facsimile machines, and printers. Utilization of these technical resources is not to be conducted in any way that may be disruptive to Windsor CUSD #1 operations or in violation of Windsor CUSD #1 policy or law.

Windsor CUSD #1 technical resources are provided exclusively to assist in the conduct of the District's business; however, occasional use of technical resources for personal purposes is permissible so long as it does not interfere with business or the employee's assigned duties, is not related to outside school business activities, does not conflict the District's policy or law, and is approved by the building principal.

Information sent and stored on facsimile machines is the property of Windsor CUSD #1. By using the District's technical resources, all individuals knowingly and voluntarily consent to their usage being monitored and acknowledge the District's right to conduct such monitoring. Individuals should not expect that facsimile transmissions are confidential or private, and should be aware that all types of business records are subject to inspection, review, or disclosure without prior notice for any business purpose or as required by law. In general, these communications are treated no differently than any other business record or correspondence, and may be used in administrative, judicial, or other proceedings.

Schedules & Employment Year (5:300)

The Superintendent shall supervise a process for setting work schedules and an employment year for educational support employees in accordance with State and federal law, School Board policy, and applicable agreements and shall:

1. Assign each employee one supervisor who will establish a work schedule, including breaks, as required by building or District needs, work load, and the efficient management of human resources;
2. Allow for the ability to respond to changing circumstances by altering work schedules as needed; and
3. Consider the well-being of the employee. The Superintendent's approval is required to establish a flexible work schedule or job-sharing.

It is important that District phones be kept clear for District business. Personal calls are acceptable; however, proper discretion is advised. First impressions are very important and when answering the phone employees shall greet the caller with "Good Morning or Good Afternoon, Windsor CUSD #1, John/Jane Doe speaking." Employees who answer the phone should do so promptly and in a businesslike manner. Employees will be held responsible for paying for all non-business-related long distance phone calls.

Cellular Phone Policy

This policy outlines the use of personal cell phones at work, the personal use of District cell phones and the safe use of cell phones by employees. This policy applies to phone calls, text messaging, pictures, etc.

Personal Cellular Phones

While at work employees are expected to exercise the same discretion in using personal cellular phones as is expected for the use of District phones. Excessive personal calls during the workday, regardless of the phone used, can interfere with employee productivity and be distracting to others. Employees are therefore encouraged to make personal calls on non-work time where possible and to ensure that friends and family members are aware of the District's policy. Flexibility will be provided in circumstances demanding immediate attention.

The District will not be liable for the loss of personal cellular phones brought into the workplace.

Personal Use of District-Provided Cellular Phones

Where job responsibilities or District needs demand immediate access to an employee the District may issue a District cell phone to an employee for District-related communications. In order to protect the employee from incurring a tax liability for the personal use of this equipment, employees will be required to reimburse the District for any personal calls on a District issued cell phone. Phone logs will be audited regularly to ensure compliance with this policy.

Safety Issues for Cellular Phone Use

When using cell phones and other portable devices, employees are expected to observe all relevant state and Federal Laws. This would include laws requiring hand-free devices or prohibiting text messaging while driving. Employees are expected to stop driving before conducting business electronically or are expected to use hands-free devices while driving. Company owned electronic devices may be monitored to ensure compliance with the policy.

Employees whose job responsibilities do not specifically include driving as an essential function, but who are issued a cell phone for District use, are also expected to abide by the provisions above. Under no circumstances are employees allowed to place themselves at risk to fulfill District needs.

Employees who are charged with traffic violations resulting from the use of their phone while driving will be solely responsible for all liabilities that result from such actions.

District Tools and Equipment

The District may supply all equipment, tools, or other items to assist in the performance of duties. All items shall be collected at the end of the workday and returned to their proper location.

2. Supervision and maintenance of the pick-up is under the control of the transportation director.
3. Use of the pick-up as other school vehicles is limited to school use and school personnel.

5. Approved drivers: Transportation Director, Maintenance Director, grade school and high school maintenance personnel, high school principal, grade school principal, and others at the discretion of the superintendent.

Parking

All employees shall park on District premises in a designated area. Employees will refrain from parking in designated visitor parking and handicap parking spaces.

Dress Standards

The District's image is reflected in employees' dress and appearance which must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health, safety, or decency. Good grooming and tasteful attire is essential.

Please see specific department's uniform and personal appearance guidelines.

Communicable and Chronic Infectious Disease (5:40)

The Superintendent or designee shall develop and implement procedures for managing known or suspected cases of a communicable and chronic infectious disease involving District employees that are consistent with State and federal law, Illinois Department of Public Health rules, and School Board policies.

An employee with a communicable or chronic infectious disease is encouraged to inform the Superintendent immediately and grant consent to being monitored by the District's Communicable and Chronic Infectious Disease Review Team. The Review Team, if used, provides information and recommendations to the Superintendent concerning the employee's conditions of employment and necessary accommodations. The Review Team shall hold the employee's medical condition and records in strictest confidence, except to the extent allowed by law.

An employee with a communicable or chronic infectious disease will be permitted to retain his or her position whenever, after reasonable accommodations and without undue hardship, there is no substantial risk of transmission of the disease to others, provided an employee is able to continue to

perform the position's essential functions. An employee with a communicable and chronic infectious disease remains subject to the Board's employment policies including sick and/or other leave, physical examinations, temporary and permanent disability, and termination.

Bloodborne Pathogens

The District recognizes the potential risk its staff has to accidental occupational exposure to bloodborne pathogens and desires to educate and protect employees to minimize the possibility of exposure. The Bloodborne Pathogens Exposure Control Plan contains specific information regarding the District's policies and procedures. A complete copy of this plan can be found in Appendix I of this employee handbook.

All employees of the District are instructed as to the correct handling of body fluids and tissue. All positions in the District have been categorized into classifications to determine the likelihood of occupational exposure to blood, body fluids or tissue from other people. Classification I employees hold positions in which required tasks routinely involve a potential for that exposure. These employees and all others who are involved in an exposure incident are entitled to receive vaccinations for Hepatitis B at the District's expense. Classification I employees receive a handbook and appropriate cleanup materials to properly handle incidents.

Administering Medicines to Students (7:270)

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed "School Medication Authorization Form" is submitted by the student's parent/guardian. No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students.

Self-Administration of Medication

A student may possess an epinephrine auto-injector, e.g. EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a *School Medication Authorization Form*. The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication, or the storage of any medication by school personnel.

School District Supply of Undesignated Epinephrine Auto-Injectors

The Superintendent or designee shall implement Section 22-30(f) of the School Code and maintain a supply of undesignated epinephrine auto-injectors in the name of the District and provide or administer them as necessary according to State law. *Undesignated epinephrine auto-injector* means an epinephrine auto-injector prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated epinephrine auto-injector to a person when they, in good faith, believe a person is having an anaphylactic reaction. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

School District Supply of Undesignated Opioid Antagonists

The Superintendent or designee shall implement Section 22-30(f) of the School Code and maintain a supply of undesignated opioid antagonists in the name of the District and provide or administer them as necessary according to State law. *Opioid antagonist* means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration. *Undesignated opioid antagonist* is not defined by the School Code; for purposes of this policy it means an opioid antagonist prescribed in the name of the District or one of its schools. A school nurse or trained personnel, as defined in State law, may administer an undesignated opioid antagonist to a person when they, in good faith, believe a person is having an opioid overdose. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law.

Void Policy; Disclaimer

The **School District Supply of Undesignated Epinephrine Auto-Injectors** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for undesignated epinephrine auto-injectors from a physician or advanced practice nurse licensed to practice medicine in all its branches, or (2) fill the District's prescription for undesignated school epinephrine auto-injectors.

The **School District Supply of Undesignated Opioid Antagonists** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for opioid antagonists from a health care professional who has been delegated prescriptive authority for opioid antagonists in accordance with Section 5-23 of the Alcoholism and Other Drug Abuse and Dependency Act, or (2) fill the District's prescription for undesignated school opioid antagonists.

Upon any administration of an undesignated epinephrine auto-injector or an opioid antagonist, the Superintendent or designee(s) must ensure all notifications required by State law and administrative procedures occur.

Upon implementation of this policy, the protections from liability and hold harmless provisions as explained in Section 22-30(c) of the School Code apply.

No one, including without limitation parents/guardians of students, should rely on the District for the availability of an epinephrine auto-injector and/or opioid antagonist. This policy does not guarantee the availability of an epinephrine auto-injector and/or opioid antagonist; students and their parents/guardians should consult their own physician regarding such medication(s).

Item for Board Approval

Advance notice must be provided to the Board by employees prior to the Board meeting concerning items on which the Board will need to render a decision.

12. Sponsors must let the building secretary know at least 24 hours in advance of needing a money box for an activity.

The hearing notice must contain:

Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, State Police, and any involved student's parent/guardian. Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automated External Defibrillator user according to rules adopted by the Illinois Department of Public Health. All school bus drivers must have a valid school bus driver permit. The Superintendent or designee shall inform the Illinois Secretary of State, within 30 days of being informed by a school bus driver, that the bus driver permit holder has been called to active duty. New bus drivers and bus drivers who are returning from a lapse in their employment are subject to the requirements contained in Board policy 5:30, *Hiring Process and Criteria* and Board policy 5:285, *Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers*.

Trainings

All trainings are to be performed and completed during normal work hours. These should not be done outside of normal working hours.

Compliance with Fair Labor Standards Act (5:35)

Job Classifications

The Superintendent will ensure that all job positions are identified as either “exempt” or “non-exempt” according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are “exempt” or “non-exempt.” “Exempt” and “non-exempt” employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. “Overtime” is time worked in excess of 40 hours in a single workweek.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor’s express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Superintendent or designee’s written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, *Compensatory Time-Off*.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board policy 5:240, *Professional Personnel - Suspension*. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, *Educational Support Personnel - Employment Termination and Suspensions*.

Implementation

The Superintendent or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.

Employment Termination and Suspensions (5:290)

Resignation and Retirement

An employee is requested to provide 2 weeks’ notice of a resignation. A resignation notice cannot be revoked once given. An employee planning to retire should notify his or her supervisor at least 2 months before the retirement date.

Non-RIF Dismissal

The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the School Board consistent with the Board's goal of having a highly qualified, high performing staff.

Reduction in Force and Recall

The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. The Superintendent will notify the employee of this requirement when the employee is suspended.

Reporting Absences & Attendance

To maintain a productive work environment, the District expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on the District. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they are required to notify their supervisor as soon as possible before they are scheduled to work.

Poor attendance and excessive tardiness are disruptive. Either may lead to disciplinary action, up to and including discharge. Absence of three working days without reporting will be considered a voluntary resignation.

Record/Employee Status Changes

Any changes in name, address, phone numbers, marital status, and persons to be contacted in case of an emergency must to be turned into the Unit Office as soon as possible in order to keep your records current.

Compensation Policies

Payroll Period/Time Cards/Pay Day

All non-exempt employees are paid semi-monthly on the 1st day of the month and the 15th day of the month. Each pay summary will include earnings for all work performed through the end of the previous payroll period.

We provide direct deposit for all employees to simplify payroll processing. Employee's payroll earnings will be deposited directly into their checking or savings account as designated on the payroll deduction authorization form and acknowledged on the payroll record. Please note that the District deposits payroll earnings to our main bank, which is subsequently deposited to employees individual banks based on the schedule for posting at each local banking facility.

Accurately recording time worked is the responsibility of every non-exempt employee. Time worked is all the time actually spent on the job performing assigned duties. Altering, falsifying, tampering with time records, or recording time on another employee's time record may result in disciplinary action up to and including discharge. Both the administrator/supervisor and the employee can be held responsible for any of these dishonest actions, which may result in criminal prosecution. All non-exempt employees shall ensure accurate reporting of hours worked and shall sign completed time record. It is the employee's responsibility to ensure that their timesheet is turned in on time. Failure to do so may result in disciplinary action.

The building administrator/supervisor will review and then sign the time record before submitting it to payroll for processing. In addition, if the employee makes corrections or modifications to the time record, the administrator/supervisor must verify the accuracy of the changes by signing the time record. Time is calculated by using a fifteen-minute interval for determining "hours worked" and recording of time worked by all non-exempt employees.

Salary Adjustments

Non-Certified Employees of the district may have their salary adjusted for the following reasons:

1. The allotted number of personal leave days has been used with administrative approval and that non-certified person requests additional personal leave days.
2. The non-certified has an unauthorized absence from school.
 - i. (Example - misuse of sick days)
3. Absence due to disciplinary actions by the administrative and/or The Board of Education.
4. Dock days will be taken during the pay period of the missed days.

Full-time non-certified staff shall have their pay adjusted based on their hourly wage for that school year.

Inclement Weather

In case of school being called off due to inclement weather all non-exempt employees will not be compensated for not working on these days. Employees will not be able to use paid personal leave on inclement weather days as these days will be made up.

Meal & Break Periods (5:300)

An employee who works at least 7.5 continuous hours shall receive a 30-minute duty-free meal break that begins within the first five hours of the employee's workday. The District accommodates employees who are nursing mothers according to State and federal law.

Meal & Break periods are unpaid.

Expenses (5:60)

The Board regulates the reimbursement of all travel, meal, and lodging expenses by resolution. Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and title of the employee who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement, reimbursement, or purchase order will be or was expended.
4. The nature of the official business conducted when the expense advancement, reimbursement, or purchase order will be or was expended.

Advancements

The Superintendent may advance expenses to teachers and other licensed employees for the anticipated actual and necessary expenses to be incurred while attending meetings that are related to their duties and will contribute to their professional development, provided they fall below the maximum allowed in the Board's expense regulations.

Expense advancement requests must be submitted to the Superintendent or designee on the District's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Superintendent or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the District's standardized estimated expense approval form for employees, except in situations when the

expense is diminutive. When pre-approval is not sought, employees must seek reimbursement on the District's standardized expense reimbursement form for employees. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Use of Credit and Procurement Cards

Credit and procurement card usage is governed by policy 4:55, *Use of Credit and Procurement Cards*.

Exceeding the Maximum Allowable Expense Amount(s)

All requests for expense advancements, reimbursements, and purchase orders exceeding the maximum allowed in the Board's expense regulations may only be approved when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Registration

When possible, registration fees will be paid by the District in advance.

Travel

The least expensive method of travel will be used, provided that no hardship will be caused to the employee. Employees will be reimbursed for:

1. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Copies of airline tickets must be attached to the expense form.
2. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
5. Taxis, airport limousines, or other local transportation costs.

Meals

Meals charged to the District should represent mid-fare selections for the hotel/meeting facility or general area. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.

Lodging

Employees should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Employees should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.

Miscellaneous Expenses

Employees may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

Mileage and Drivers Expenses

The School Board shall reimburse employees for expenses necessary for the performance of their duties which have been approved by the Superintendent. If the anticipated expense amount exceeds budgeted amounts, prior Board approval is required.

Employees must submit to the Superintendent an itemized, signed voucher showing the amount of actual expenses, attaching receipts to the voucher if possible. Expense vouchers shall be presented to the School Board in its regular bill process.

Any professional workshop or conference, which is to be held out-of-state, must be taken before the Board of Education for approval.

Benefits

Holidays (5:330)

Unless the District has a waiver or modification of the School Code pursuant to Section 2-3.25g or 24-2(b) allowing it to schedule school on a holiday listed below, District employees will not be required to work on:

New Year's Day	Labor Day
President's Day	Columbus Day
Good Friday	Veteran's Day (if it falls on a M-F)
Memorial Day	Thanksgiving Day
Independence Day (12-month employees only)	Day after Thanksgiving
Juneteenth	Christmas Day
	Election Day 2022

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property. An employee must work a full day on the scheduled workday before and after the holiday in order to be eligible for holiday pay unless approved in advance.

Sick and Bereavement Leave (5:330)

New hires starting on or after July 1, 2003, for the first year will earn one sick day per month and can use that sick day at the end of that month, or the employee can accumulate the sick day if unused. On the 11th and 12th months the employee will earn two days per month bringing the total to 14 sick days for the year. On the employees anniversary date he/she will be given prorated sick days for the next year to July 1.

Full or part-time educational support personnel receive 14 paid sick leave days per year. Part-time employees will receive sick day pay equivalent to their regular work day. Sick leave may be used in one-half (1/2) or full day increments. Unused sick leave shall accumulate to a maximum of 375 days. Non-certified staff members shall be allowed to accumulate enough unused sick leave days to obtain one additional year of service for retirement benefits.

If a non-certified employee needs to be gone a portion of a day, he/she may make the time up later the same day rather than use a sick or personal leave day with the approval of the Principal or Superintendent.

Sick leave is defined in State law as personal illness, quarantine at home, serious illness, or death in the immediate family or household, or birth, adoption, or placement for adoption. The immediate family shall include: Parents, spouse, brothers, sisters, children, son-in-law, daughter-in-law, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians. The Board shall approve the use of sick leave for deaths in the non-immediate family (e.g. aunts, uncles, nieces, nephews, etc.) limited to attendance at the funeral and reasonable travel, if required. The Superintendent and/or designee shall monitor the use of sick leave.

As a condition for paying sick leave after 3 days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice

medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than 3 days for personal illness, the District shall pay the expenses incurred by the employee.

Child Bereavement Leave (5:250)

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member's child, or (3) grieving the death of the staff member's child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

Personal Leave (5:330)

New hires, starting on or after July 1, 2003, for the first year will earn 1/2 personal day every two months. The days will be usable at the end of the first two months or can accumulate up to 3 personal days for the first year. On the employees anniversary date he/she will be given 3 personal days for the next year.

1. Except in cases of emergency or unavoidable situations, a personal leave request should be submitted to the Building Principal 3 days before the requested date.
2. No personal leave day may be used immediately before or immediately after a holiday, or during the first and/or last 5 days of the school year, unless the Superintendent grants prior approval. EXCEPTION TO PERSONAL LEAVE TIME: A full-time twelve month employee may take a personal leave day before or after a holiday if students are not in attendance with the approval of the Superintendent.
3. Personal leave may not be used in increments of less than one-half day. If a non-certified employee needs to be gone a portion of a day, he/she may make the time up later the same day rather than use a sick or personal leave day with the approval of the Principal or Superintendent.
4. Personal leave is subject to any necessary replacement's availability.
5. Personal leave may not be used on an in-service training day.

6. Personal leave may not be used when the employee's absence would create an undue hardship.

All sick, vacation, and personal time must be used prior to any time off without pay

Vacation (5:330)

After a year of continuous employment, 12-month employees shall be eligible for 10 paid vacation days annually. These days will be scheduled with the approval of the building principal and superintendent.

Vacation for twelve-month employees with ten years of service as a twelve month employee in our school system will receive three weeks' vacation time with approval of principal and superintendent.

Vacation for twelve-month employees with 20 years of service or more as a twelve-month employee in our school system will receive 20 days' vacation time with approval of principal and superintendent.

Extend vacation by one day if a holiday comes within the vacation week or count one day less against the vacation time if vacation is taken at more than one time in a school year, not meant to be accumulative to the next school year.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation. First year worked without vacation days from the beginning of second year to July 1st will be prorated. Starting July 1 vacation will be earned for the coming year to be used during that year.

Unused vacation days can be transferred to sick leave days.

Vacation days can only be used on days that an employee would be regularly required to work. Only four vacation days can be taken during the student attendance days of a school year, with only two consecutive days at a time.

Leave to Serve as a Trustee of the Illinois Municipal Retirement Fund (5:330)

Upon request, the Board will grant 20 days of paid leave of absence per year to a trustee of the Illinois Municipal Retirement Fund in accordance with 105 ILCS 5/24-6.3.

Compensatory Time-Off (5:310)

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime. An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents

compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

The District offers this as an administrative service only to the employee. Inquires relating to any ancillary insurance should be directed to the insurance agent. The District makes no representations with respect to any ancillary insurance coverage and any administrative assistance provided shall not be construed as endorsing such insurance coverage. For more information, please contact the office.

COBRA Insurance

The Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their dependents (qualified beneficiaries) the opportunity to continue health insurance coverage under our health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation; or a dependent child who no longer meets eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage of the group rates plus administration fee.

We provide each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the health insurance plan. The notice contains important information about the employee's rights and obligations.

It is the employee's responsibility to inform the Plan Administrator of the following events for eligibility purposes:

- The participant becomes entitled to Medicare benefits
- The participant and spouse become divorced
- The participant and spouse become legally separated
- A participant's child ceases to be a dependent under the plan

Flexible Spending Accounts (Section 125)

Employees can save tax dollars by enrolling in this multi-option plan. This account allows employees to withhold pre-tax dollars from their paycheck to pay:

1. Group Health Insurance Premiums

2. Medical Reimbursement, including dental and optical expenses, out-of-pocket expenses such as meeting deductibles, etc.
3. Child or dependent care expenses
4. Premiums for any qualified individual ancillary insurance (disability coverage may not be deducted pretax) you may have purchased.

The benefits eligibility date must have been reached for this benefit to become effective. Elections may only be changed during the annual election period, which is from August to September of each year. Allowable expenses include only those that were incurred during the plan year. Expenses may be submitted up to 60 days following the end of the plan year. Contributions not used will be forfeited in accordance with federal law.

Court Duty (5:80)

The District will pay full salary during the time an employee is absent due to court duty or, pursuant to a subpoena, serves as a witness or has a deposition taken in any school-related matter pending in court.

The District will deduct any fees that an employee receives for such duties, less mileage and meal expenses, from the employee's compensation, or make arrangements for the employee to endorse the fee check to the District.

An employee should give at least five days' prior notice of pending court duty to the District.

Leave of Absence Without Pay (5:250)

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Uniformed Services Employment and Reemployment Rights Act (USERRA)

Any employee whose absence from employment is necessitated by reason of service in the uniformed services will be granted an unpaid leave of absence and will have the right to be reemployed if he or she:

- Ensures that the District receives advance written or verbal notice of his or her service;
- Has five years or less of cumulative service in the uniformed services while with the District;
- Returns to work or applies for reemployment in a timely manner after conclusion of service; and
- Has not been separated from service with a disqualifying discharge or under other than honorable conditions.

Upon the expiration of such leave of absence, each employee will be restored to his/her former job classification or to a position of like seniority, status and pay; unless, circumstances of the District have so changed as to make it impossible or unreasonable to do so.

Performance Evaluation (5:320)

The Superintendent is responsible for designing and implementing a program for evaluating the job performance of each educational support staff member according to standards contained in School Board policies as well as in compliance with State law and any applicable collective bargaining agreement. The standards for the evaluation program shall include, but not be limited to:

1. Each employee shall be evaluated annually, preferably before the annual salary review.
2. The direct supervisor shall provide input.
3. The employee's work quality, promptness, attendance, reliability, conduct, judgment, and cooperation shall be considered.
4. The employee shall receive a copy of the annual evaluation.
5. All evaluations shall comply with State and federal law and any applicable collective bargaining agreement.

Family and Medical Leave (5:185)**Leave Description**

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 workweeks per rolling year.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave. All policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.

4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided by federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

"Serious Health Condition"

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the District for at least 12 months and has been employed for at least 1,000 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the District's intention to rehire the employee.
2. The employee is a full-time classroom teacher.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Superintendent or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

Victims' Economic Security and Safety Act

In accordance with the Victims' Economic Security and Safety Act ("VESSA"), the District will provide employees, up to 12 weeks unpaid leave per rolling year for an employee who is a victim of domestic or sexual violence or has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. Unpaid leave from work may be taken to address domestic or sexual violence by:

1. Seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic or sexual violence to the employee or the employee's family or household member;
2. Obtaining services from a victim services organization for the employee or the employee's family or household member;

3. Obtaining psychological or other counseling for the employee or the employee's family or household member;
4. Participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the employee or the employee's family or household member from future domestic or sexual violence or ensure economic security; or
5. Seeking legal assistance or remedies to ensure the health and safety of the employee or the employee's family or household member, including preparing for or participating in any civil or criminal legal proceeding related to or derived from domestic or sexual violence.

* "Family or house hold member" is defined as a spouse, parent, son, daughter, other person related by blood or by present or prior marriage, other person who shares a relationship through a son or daughter, and persons jointly residing in the same household.

Employees are entitled to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993.

An employee may elect to substitute any earned vacation time, sick leave, or other paid or unpaid leave the employee is entitled toward the 12-week period allowed for any approved leave of absence pursuant to this policy.

Requesting Leave

Any employee who desires a leave of absence pursuant to this policy must complete, sign, and submit an application for leave of absence to his or her immediate supervisor. The employee shall provide the District with at least 48 hours notice in advance of the employee's intention to take the leave unless providing such notice is not practicable.

Certification

Every application for Leave of Absence pursuant to this policy must include a sworn certification by the employee that: (1) the employee or the employee's family or household member is a victim of domestic or sexual violence; and (2) the leave is for one of the purposes enumerated in the above paragraph. In addition, the employee must provide the following documents to the District within a reasonable time: (1) documentation from an employee, agent, or volunteer of a victim services organization, an attorney, a member of the clergy, or a medical or other professional from whom the employee or the employee's family or household member has sought assistance in addressing domestic or sexual violence and the effects of the violence; (2) a police or court record; or (3) other corroborating evidence.

Conditions of Leave

The following conditions apply to a leave of absence pursuant to this policy:

In its discretion, the District may require an employee taking approved leave of absence to periodically report on his or her status and intention to return to work.

An employee taking a leave of absence may not engage in other work or employment during the leave of absence. If an employee engages in other work or employment during the leave of absence,

the employee will be considered to have violated the terms of the leave of absence, and to have voluntarily terminated his or her employment with the District.

If an employee is granted a leave of absence on an intermittent basis or on a reduced schedule basis, the District may require the employee to temporarily transfer to an alternative position that accommodates the employee's recurring absences or part-time schedule.

Continuation of Health Benefits

During VESSA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the leave. The District may recover the premium that the District paid for maintaining coverage for the employee and the employee's family or household member under the health plan during any period of VESSA leave if:

1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired; and
2. The employee fails to return to work for a reason other than;
 - a. The continuation, recurrence, or onset of domestic or sexual violence that entitles the employee to leave pursuant to this policy; or
 - b. Other circumstances beyond the control of the employee.

Any employee who fails to return to work for a reason listed in 2(I) or (II) must provide to the District within a reasonable time a sworn certification by the employee that the employee is unable to return to work because of that reason and (1) documentation from an employee, agent, or volunteer of a victim services organization, an attorney, a member of the clergy, or a medical or other professional from whom the employee or the employee's family or household member has sought assistance in addressing domestic or sexual violence and the effects of the violence; (2) a police or court record; or (3) other corroborating evidence.

Return to Work

An employee returning from VESSA leave will be restored to the position of employment held by the employee when the leave commenced, or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

APPENDIX I**BLOODBORNE PATHOGENS EXPOSURE CONTROL PLAN**

The Windsor C.U.S.D. #1 is committed to providing a safe and healthful work environment for our entire staff. In pursuit of this endeavor, the following Exposure Control Plan (ECP) is provided to eliminate or minimize occupational exposure to bloodborne pathogens in accordance with the OSHA Bloodborne pathogens Standard, Title 29 Code of Federal Regulations 1910.1030 and 56 Ill. Adm. Code 350.

INTRODUCTION

Acquired Immunodeficiency Syndrome (AIDS) and Hepatitis B warrant serious concerns for workers occupationally exposed to blood and certain other body fluids that contain bloodborne pathogens. It is estimated that more than 5.6 million workers in health care and public safety occupations could be potentially exposed. In recognition of these potential hazards, the Occupational Safety and Health Administration (OSHA) has implemented a regulation (Bloodborne Pathogens 29 Code of Federal Regulations (CFR) 1910.1030) to help protect workers from these health hazards. Since OSHA does not have jurisdiction over local governmental employers, the Illinois Department of Labor (IDOL) has proposed the adoption of OSHA's Bloodborne Pathogen Regulation by reference and in its entirety to ensure that public sector workers are provided with the same level of health and safety protection that is offered to private sector workers within Illinois. The regulation will appear at 56 Ill. Adm. Code 350.

The major intent of this regulation is to prevent the transmission of bloodborne diseases within potentially exposed workplace occupations. The standard is expected to reduce and prevent employee exposure to the Human Immunodeficiency Virus (HIV), Hepatitis B Virus (HBV) and other bloodborne diseases. OSHA estimates the standard could prevent more than 200 deaths and about 9,000 infections per year from HBV alone. The standard requires that employers follow universal precautions, which means that all blood or other potentially infectious material must be treated as being infectious for HIV and HBV. Each employer must determine the application of universal precautions by performing an employee exposure evaluation. If employee exposure is recognized, as defined by the standard, then the standard mandates a number of requirements. One of the major requirements is the development of an Exposure Control Plan, which mandates engineering controls, work practices, personal protective equipment, HBV vaccinations and training. The standard also mandates practices and procedures for housekeeping, medical evaluations, hazard communication, and record keeping.

A. PPE will be provided to employees in the following manner:

Gloves:

Shall be worn when it is reasonably anticipated that employees will have contact with blood, other potentially infectious materials, non-intact skin, and mucous membranes. Gloves will be available from the Secretary in the office.

Disposable gloves used at Windsor C.U.S.D. #1 are not be washed for re-use and are to be replaced as soon as practical when they become contaminated or as soon as feasible if they are torn, punctured, or when their ability to function as a barrier is compromised.

Policy: Employees shall make every effort to avoid exposure to a students' blood/body fluid.

- A. When the employee incurs an exposure incident, it should be reported to the principal and superintendent of schools.

All employees who incur an exposure incident will be offered post-exposure evaluation and follow-up in accordance with the OSHA standard.

This follow-up will include the following:

HEPATITIS B VACCINE DECLINATION FORM

I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to myself. However, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series at no charge to me.
